

## **STATEWIDE CHILDREN'S MISSIONS PROJECT 2018 (For RA Groups too!)**

The NC Statewide Children's Mission project for 2018 will be to support the NCBM Dental Ministry by providing funds to purchase a new dental unit. The 2001 Mobile Dental Unit is in need of replacement. This Bluebird Bus has over 200,000 miles on it and is experiencing mechanical issues. NC Baptists on Mission plan to purchase a Lifeline Mobile Dental Unit, similar to our 2011 truck. An anonymous foundation has pledged a \$225,000 matching grant. Please help us raise the \$225K in matching funds. Just think...if we collect \$10,000 in our children's mission offering it becomes \$20,000 with the matching fund. How exciting!!

The NCBM Dental Ministry is an active ministry in our state, having served 3500 patients in 2016 in several locations throughout the state. The mobile dental units were used 168 days in 128 locations throughout the state, traveling a total of 25,209 miles. The mobile dental units are meeting a need in our state that opens the door for them to meet the greatest need, hope in Jesus Christ. There were 26 professions of faith and 18 other decisions as a direct result of our dental ministry.

**THANK YOU** for considering how you and your church and children's groups (RA's, GA's, Children in Action, Mission Friends, DI Kids, AWANAS, VBS, etc.) can get involved by praying, encouraging and **giving!**
