

Rocky Mountain Work & Witness Teams 2019

Casper, Wyoming

North Carolina Baptists on Mission

What? **Finishing of Multi-Purpose and Educational Building.** Boyd Avenue Baptist in Casper, Wyoming is constructing a 16,000 square foot multi-purpose facility adjacent to their current church building, with the goal of multiplying opportunity for ministry and fellowship in their community. Pastor Quin Williams is husband to Beth Williams, who for years worked with our teams as director of the Mountaintop Baptist Assembly. The building will be constructed in the fall and winter of 2018/19. The goal for our teams is to complete the interior of the building beginning in early June. We will need several teams to do sheetrock hanging and finishing, trim work, tile, painting, and other finish work. Teams will be scheduled throughout the summer.

Where? **Casper, Wyoming.** Casper is the county seat of Natrona County, and, with a population of 55,316, is the second-largest city (to Cheyenne) in Wyoming. Casper is nicknamed "The Oil City" and has a long history of oil boomtown and cowboy culture. Casper is located in east-central Wyoming at the north end of the Laramie Mountain Range, along the North Platte River. Interstate 25 approaches Casper from the North and East and is the main avenue of transportation to and from the city. The church is already well on their way to raising the required material funds for this new project. Its success is dependent on volunteer teams.

Who? Teams will be needed to complete several phases of completing the interior of building. Each team should have a "core" of volunteers with solid construction experience and know-how. Each team will be responsible for their own meals and need to bring volunteers to assist in meal prep. We will try to schedule up to 24 volunteers per week, so we could have more than one team on site per week, if both are smaller teams.

How? Teams will sign up for a date through the North Carolina Baptists on Mission (NCBM) Office. As time grows closer the team leader will be put in contact with the project coordinator, who will be able to let teams know what to expect work-wise about a week or two out. Each team member will register online with NCBM, and be signed up for the volunteer insurance (\$6 per person total per 8 days). Team leader will be sent this information via e-mail.

Field Costs: Teams will arrange their own travel to Casper. Driving will be an option for some. Raleigh, NC to Casper WY is 1844 miles. Direct flights are available into Casper. Denver CO (278 miles) is also a flight option that some teams may want to pursue. Flights into Denver are usually less expensive. Teams will need to rent vehicles if they fly. Van rentals run between \$600-900 per week for a mini-van. Teams will be housed in the existing church facility, which has showers and a kitchen for team's use.

Other Costs: Teams are encouraged to contribute \$2000 toward the purchase of building materials if possible. (Not required)

Date	Team #	Team / Contact
June 8-15	RM19-020	
June 15-22	RM19-021	FBC Drexel, NC – Gene Kirby (16)
June 22-29	RM19-022	FBC Kannapolis, NC – Tom Cabaniss (12)
June 29-July 6	RM19-023	Big Sky Fellowship, MT – Jim Huffman (12)
July 6-13	RM19-024	
July 13-20	RM19-025	Layton Hills BC, UT – Don Kelley (14)
July 20-27	RM19-026	Eastern Baptist Association, NC – Richard Weeks (20)
July 27-Aug 3	RM19-027	Richland Creek BC, NC – Kyle Sutherland (12) / Mount Vernon BC, NC – Ivan Crissman (8)
August 3-10	RM19-028	Florence BC, NC – Calvin Spurlin (16)
August 10-17	RM19-029	FBC Athens, AL – Bobby Austin (10)
August 17-24	RM19-030	
August 24-31	RM19-031	
Aug 31 – Sept 7	RM19-032
