

MISSION TRIPS TO TOGO, WEST AFRICA

AUGUST 18-26, 2025
DECEMBER 1-9, 2025

Baptists on Mission is in Partnership with Togo Christian Mission in the small West African nation of Togo. The project began as an initiative of Baptists on Mission's Agricultural Advisory Team. A main emphasis is the development of an agricultural demonstration farm on 30 acres of property owned by Togo Christian Mission. In the next several years, Baptists on Mission will work with Togo Christian Mission to develop this farm, with the goal of teaching agricultural techniques and furthering the Gospel message of Christ.

TOGO CHRISTIAN MISSION: "Togo Christian Mission (TCM) seeks to extend the kingdom of God in Togo through the development of healthy individuals, quality education, aid for at-risk children, and community development." The mission is led by full-time missionaries Hammer Afakule and his wife Dela. Their outreach includes a Medical Clinic, Christian School, and Community Development. The **MEDICAL CLINIC** provides primary health care, including wound care, malaria treatment, and even some emergent treatment as needed. The **CHRISTIAN SCHOOL** exists to reassure students and their family that there is hope in the Lord. Students receive quality education and become godly people who will have a godly influence in the community. Currently, 230 students are enrolled in 1st through 9th grade. A **GROWING, VIBRANT CONGREGATION** meets in a church building located on the property.

MISSION TRIPS IN 2025

WHAT: Two teams of 8-10 will travel to the town of Vogan, Togo to conduct VBS-type children's ministry and other outreach events during the course of the week. Activities may take place at the TCM school, or out in the villages.

WHO: Need those in good health who love working with children and youth. Should be experienced in leading VBS and/or sports camp type activities. Must be 16 years old to participate.

HOW: Baptists on Mission will make airline reservations, and coordinate-field logistics. Teams will stay in a local hotel.

COSTS: Estimated cost will be approximately \$2000 and will include airfare, lodging, most meals, in-country transportation, and volunteer insurance. (Cost could be a bit more or a bit less depending on current airfare).

OTHER: Each team member will need a valid passport that has at least 6 months left on it from time of departure. Team members will also apply online for a tourist visa prior to departure. (Instructions will be sent).
