

# NC / MOLDOVA PARTNERSHIP VISION TRIP - 2024

---

Following Russia's invasion of the Ukraine, Moldovan Baptists invited North Carolina Baptists to send teams to minister to the hundreds of refugees who were sheltering at the Baltata Ministry Center near the capital of Chisinau. Over the course of three months, thirteen teams and more than a hundred twenty volunteers from across North Carolina grew in their love and appreciation not only for the refugees, but for the Moldovan Baptists who had opened their hearts, their churches, and their homes to them.

## OPPORTUNITY FOR NORTH CAROLINA BAPTISTS

Moldovan Baptists have now invited North Carolina Baptists to partner with them in the coming years. Recent events have served as a reminder of how fleeting the opportunity to serve in this area may be. The time to strategically assist our Moldovan brothers and sisters in Christ in strengthening an evangelical presence - is now.

**A CHURCH PLANTING EMPHASIS:** The primary focus of the Partnership between Moldovan Baptists and North Carolina Baptists will be that of supporting church planting missionaries through growing, visionary Moldovan "mother churches". These "mother churches" are led by strong, visionary pastors. They are gospel-focused and mission-hearted. Currently there are over 750 villages in Moldova with no evangelical presence. The great desire of these churches is to see that every village in their region has an evangelical church.
