

MISSION CAMPS

VOLUNTEER FORM

NC Baptist Men of the Baptist State Convention of NC

Instructions for those who would like to help.

Our purpose is to help churches involve their members in missions. One of the ways you can do that is by using your skills and talents to rebuild homes and lives in the name of Jesus Christ. NCBM is coordinating the building of new homes and renovation of needy homes in and around Red Springs (Robeson County) and Shelby (Cleveland County). In addition, some non-construction opportunities may be available on a case-by-case basis. Following is a description of what we will be doing and how you can be involved.

1. COST: TEAMS WILL BE CHARGED \$21/DAY/PERSON

Fee covers supplemental insurance, room, and three meals. If staying overnight only (no meals), the cost is \$7/night. If meals only, then the cost is \$7 per meal. Room is dormitory style on bunks. Showers are provided. Age limit: 13+.

- Volunteers are needed during the week. We do not work on Sundays. We need to know how many are coming and arrival/departure times.
- You will check in with the Coordinator upon arrival. Specific work assignments will be assigned to teams.
- Nature of the work: primarily construction, which may include new construction, rebuilding; replacing floors, electrical, sheetrock, plumbing, etc. Teams **MUST** bring their own tools and bedding. Some tools are provided.

Participation:

- Once you have put a team together, **notify Gaylon Moss as soon as possible by faxing this form to 919.460.6329 or emailing it to gmoss@ncbaptist.org.** Be precise in the number of volunteers you report.
- Age requirement: **13 and above only.**
- Youth groups must have a minimum of 2 non-related adult chaperones (21+ yrs. old) for each gender. Then, you need 1 adult for every additional 4 youth. Co-ed groups must have male/female chaperones and maintain the 1 to 4 ratio. No less than 2 non-related screened adults may share lodging with minors. No adult may sleep in the same bed as a minor at any time. ALL volunteers 18+ yrs. old must successfully pass a background check if working with minors.**
- Youth construction** teams must have at least 1 skilled construction person per 5 youth.
- Please provide an email address or a fax number so that you can receive additional information and forms to complete and give to the coordinator upon arrival onsite.
