

Caswell Guideline Sheet for Youth

Reading the guidelines below before you go to Caswell with your church group should help you in packing and in understanding the expectations for the week.

1. There is a designated beach area and a swimming pool with qualified lifeguards on duty in the afternoons. Swimming in other areas is extremely unsafe because of the strong undertow.
2. For safety reasons, no one is to go into or on top of the forts after dark.
3. The beach is off limits after dark.
4. If you get hurt and cannot find your counselor, go to the Reception Center (the small building where your group registered the first day) for assistance.
5. If you lose a meal ticket, you may get a new one for \$1.00 at the Reception Center. (The small building where your group registered the first day)
6. Please dress appropriately for a Christian assembly at all times. We like the fact the 1000 people who will be with you at Caswell are a very diverse group of people. However, this means things that might not bother you offend some people. Therefore, we make the following suggestions:
 - a. When not at the beach or pool, wear "cover ups" over one-piece bathing suits or tankini. Please no two-piece bikini bathing suits.
 - b. Do not wear T-shirts or other clothing with offensive language, advertisements, or pictures.
 - c. Remember the evening service is worship. Please dress appropriately. (No short shorts or tank tops, no one shoulder, halter or strapless tops including tops of dresses are allowed. Spaghetti straps are to be two inches in width.)
 - d. There must be no bare feet in the cafeteria, in Hatch Auditorium, or the classroom building.
 - e. Please remember to monitor your group so others will not feel lead to complain to us.
 - f. We will have a Morning Celebration and an Evening Worship Service each day. The morning service will be **more upbeat and casual** and the evening worship will be more **worshipful**. Prepare yourself in advance for God to speak. Please enter the auditorium **quietly, reverently and in a prayerful attitude** for the evening worship. **Pray God will speak to you and to others** especially during the evening worship service.
7. Please be mindful of our cell phone policy. Cell phones are not to be used in worship (We will look at/read our printed Bibles). We encourage students and adults to leave cell phones at home or in a locked room at your lodging facility during the day as well as during worship.
8. Please bring a Bible. You will need a Bible for Morning Quiet Times, for daily Bible study, and other times during the week. Write your name, church and town in your Bible. Also bring a pen for use in quiet time, worship and Mission or Bible study.
9. You are encouraged not to bring expensive jewelry or large sums of money because of the danger of loss.
10. Skateboards and boom boxes and laser pointers are not allowed at Caswell.
11. No smoking/Vaping inside buildings.
12. Please be in your room by 11p.m. Lights out at 11:30 p.m.
