CONSTRUCTION

RM20-020 Church Addition Construction Glenrock, Wyoming
A team of volunteers is needed to assist church in completing a 2000 square foot classroom addition. Project was started in summer of 2019. This team will help in the relocation of church kitchen facility and opening up the new foyer/entry area to connect with existing one. This will involve demolition of a short, non-load bearing wall, relocation of cabinetry, construction of countertops and sinks, and some drywall repair. Need those with expertise in these areas. Host church has all funds needed for the project. Churches has two passenger vans that team can use (and can pick team up at Casper airport). Team can either sleep in the church or church member’s homes. Since church kitchen facilities will be in transition, meals will either be provided at church member’s homes or some meals might be carried in.

Length of assignment: One Week
Preferred dates: March-June 2020
Cost: Travel to Wyoming, Food
