

## Royal Ambassadors Frequently Asked Questions

### What is Royal Ambassadors?

Royal Ambassadors® (RA®) is an organization for boys in grades 1-6 that helps them learn a biblical worldview with an emphasis on missions learning and missional living; develop leadership skills to serve God and to share God's love with others; and grow spiritually in their understanding of God and God's mission, including how they are a part of God's plan.

### How do I start?

- Pray about the possibility of starting Royal Ambassadors.
- Starting an RA group requires boys, a leader, meeting time and place, RA curriculum, and a supportive pastor.
- Download detailed information and a sample unit at [wmu.com/getstarted](http://wmu.com/getstarted).

### When and where do Royal Ambassadors meet?

RA groups usually meet once a week for an hour. The session plans are flexible, however, and can be adapted for longer or shorter time periods. Royal Ambassadors can take place at these times:

- During regular church activity times on Wednesday or Sunday
- During children's worship
- During special meetings or church activities
- On a weekday following school
- On Saturday mornings monthly for a 3-4 hour period

Royal Ambassadors can take place in many different settings, such as:

- in the church's children's classrooms,
- in an afterschool child-care program,
- in a school or community ministry center,
- at an association headquarters
- in a home
- in a park
- at a multi-housing ministry.
