## School Packs

 for children in Hungary

North Carolina Baptists, through Baptists on Mission, have a partnership with Hungarian Baptist Aid, through which English is taught in their schools, and the Bible is taught in their schools.

Young adults have the opportunity to spend two years teaching in a Hungarian school with Baptists on Mission. Additionally, each summer NC Baptists work with our missionary, Alicia Jones, to do English Bible Camps in Hungary.

With this partnership, you can assist by helping provide packs of school supplies for children in Hungary. Your offerings help to give children the supplies they need so they can learn, and most importantly, hear the life-changing message of the gospel of Jesus Christ in their school.

## UKRAINE RELIEF

North Carolina Baptists, through Baptists on Mission, are responding to the recent events in Ukraine. With refugees entering neighboring countries, such as Hungary and Poland, NC Baptists are offering clothing, food, and other forms of care to Ukrainians.

For many years, Baptists on Mission had a partnership with Ukrainian Baptists, and we are working with them now to serve their churches as they seek to minister to people during this time of difficulty and crisis.

Your offerings will go directly to support these ministries, as volunteers care for Ukrainian refugees, assist Ukraine Baptists, and assist them in sharing the truth of the gospel of Jesus Christ with people who need to hear it.
