## **PROJECTS in WYOMING: Boyd Avenue Construction Project**

RM19 -101

Boyd Avenue Church Construction

Casper, Wyoming

A growing, vibrant congregation needs assistance in the finishing of a multi-purpose unit - approximately 16,000 square feet. Several teams are needed to do sheetrock hanging and finishing, trim work, tile, painting, and other finish work. Teams will need key members who can take on a project and involve other team members in completing a task Teams will need to be flexible as it will be impossible to know exactly what tasks they will be doing until a week or so prior to their coming. The team leader stay in touch with project manager as team prepares. Teams will arrange their own travel to Casper. Driving may be an option for some. Direct flights are available into Casper. Denver CO (278 miles) is also a flight option that some teams may want to pursue. Teams will need to rent vehicles if they fly. Teams will be housed in the existing church facility, which has showers and a kitchen for team's use. Teams are asked to help with \$2000 toward building materials if possible (not required).
