The Barcelona Orphanage

In Cape Town, South Africa sits a settlement called the Barcelona Township on land that was once a landfill. In this community is a beacon of hope – The Barcelona Baptist Church and Orphanage. Pastor Julius and his wife Irene have been caring for orphaned children for years and have served the community faithfully through.

The Need

The church and orphanage are surrounded by a fence to ensure that the children are safe and that the garden and other ministry tools remain unharmed so they can be used to serve the community to the greatest extent.

Currently, the fence at Barcelona is beyond repair and in great need of replacement. DI has committed to replacing this old fence with a more sound concrete structure for Julius, Irene, the children and the ministry.

You have an opportunity to **help us reach our goal of \$10,000** to ensure that the ministry at the orphanage thrives and can continue for years to come.
