

Statement on COVID-19

Issued March 17, 2020

In light of the novel coronavirus (COVID-19) pandemic, we at DI Kids and Baptists on Mission understand that you have concerns and questions about many things, including our summer plans for DI Kids camps. We want you to know that we are closely monitoring the situation, as it changes not only from day to day, but from moment to moment.

The health and safety of our participants, summer staff, and ministry partners is of utmost importance, and we will make decisions regarding our summer camps with that at the forefront of our minds. With that said, because our camps do not begin until June and as a result of the ever-changing nature of the situation, we are not in a place currently to make any decisions about DI Kids 2020.

Please understand that we will continue to pay close attention to the recommendations of government officials and agencies, the trends as presented by healthcare data, and the overall nature of the pandemic. We discourage any group from cancelling at this time, especially at this early date. Be further advised that, if a need should arise such that we choose to cancel your DI Kids week this summer, we will issue a full refund of your camp deposits and fees.

During this time, we are praying for you, your church, and your community. Even in the midst of a difficult season, you can be a light to your community and show Christ's love in new ways. Please visit baptistsonmission.org/coronavirus for information regarding how you can protect your family and church, as well as ideas on how you can serve others with a Gospel focus during this time. Thank you for serving Christ with DI Kids and Baptists on Mission, and thank you for allowing us to serve you.
