DEEP IMPACT

2026 Affirmation of Completion of Background Investigation

A background check must be performed on each person attending Deep Impact 18 years old and above. This includes both **students and adults** who are 18 years old and above. Your church may choose which agency is used to perform the background checks on each person 18 years old and above. If your church already provides background checks, you can use this information.

If you do not currently conduct background checks, two good options are Protect My Ministry at www.protectmyministry.com and First Point Background Screening Resources at www.firstpointscreening.com. You do not have to use these, but the company you do use should be reputable and conduct a thorough check for volunteers working with minors.

If any background check comes back with a felony or serious driving issue, you must contact our office to discuss the issue with the Deep Impact Director and determine if that adult will be allowed to serve during the Deep Impact Week.
