PROJECTS in WYOMING:

CAMP MAINTENANCE

RM25-006 **Camp Opening /Light Construction/Plumbing** Casper, Wyoming

A team is needed to help get camp ready for the summer session. Specifically need those with plumbing experience, as we will be turning the water back on, and there are often issues that arise related to this. Other tasks may include lawn maintenance, light construction, painting, cutting trees, hauling debris, cleaning various areas, and other general tasks in preparations for opening camp. Work will be indoors and outdoors. Experience working with chainsaws and other outdoor equipment would be helpful. Lodging will be available at camp for all team members. Team will be responsible for all meals while staying at camp, but can use camp kitchen for preparing their meals. Team will need to provide their own transportation

Length of assignment: One Week
Dates: June 1-7, 2025
Cost: Travel to Wyoming, Food, Possible Vehicle Rental

RM25-009 **Camp Closing /Light Construction** Casper, Wyoming

A small team (4-8) is needed to help get the camp closed up and winterized. Camp director will have a list of needed tasks, which may include lawn maintenance, light construction, hauling food, broken items, and debris from the camp, cleaning, and other general cleaning tasks. Work will be indoors and outdoors, and could be chilly in September. Lodging will be available at camp for all team members. Team will be responsible for all meals while staying at camp, but can use camp kitchen for preparing their meals. Team will need to provide their own transportation

CONSTRUCTION

RM25-026 **Painting Exterior of Church** Greybull, Wyoming

A team is needed to paint the exterior of the one-story church building. (Requestor can give dimensions). There may also be need for some work around the windows as well. Need those with some experience in painting who would be able to lead others in completing the task. The host church will provide all needed materials. Host church will be willing to talk with team leader about the possibility of doing an outreach or children's ministry that week as well if team is interested. The church has a 3-4 bedroom house that team can stay in, with kitchen, showers, and laundry. If team need more housing they may be able to stay with church members – or in several campground and hotel options nearby. The church has a van that team could use during the week if needed. Team should plan to provide and prepare its own meals.
